FOREWORD

"One day a hush will fall,
The footsteps of us all will
echo down the hall and disappear."

The Class of "54" wishes to preserve all the memories of their happy high school days through this yearbook. As our footsteps carry us away from school into our separate lives we long to think back over our experiences in Myerstown High.

The work on the yearbook began before Christmas 1953, when Miss Immel, the Myrialog staff of twenty-two members, and cooperative students began fulfilling the assignments given them by the editor, Dolores Phillippy. Miss Welch aided the artists in completing the cover. Finally, the students' work was submitted to the Church Center Press at Myerstown. The presses rolled off these handsome yearbooks all ready for the seniors and patrons.

Our sincere thanks to these workers.

And now as you turn each page, may a remembrance fill your heart of the joys you had at Myerstown High.

DR. CHARLES F. ROUH

Dedication

We, the Class of 1954, sincerely dedicate our yearbook, "The Myrialog," in memory of Dr. Charles F. Rouh, who died January 7, 1954

Dr. Rouh faithfully and unhesitatingly served as the school doctor for fourteen years, besides rendering extensive medical service throughout Myerstown and surrounding areas. His patients thought highly of him, both as a doctor, and as a friend. The school, too, will not forget the untiring efforts and medical assistance which were so willingly given by Dr. Rouh.

The dedication of this yearrbook is our memoriam to this man who contributed so greatly to the welfare of our school and our community.

Tribute

We oft times take for granted the work of Miss Immel.

She scampers around delivering Landis and Landis orders, oversees work at the fair, makes us fill our quota selling magazines, and always has words of advice for those in need.

We need to express verbal thanks to her as well as these words of thanks.

To her now we pay special tribute for the careful planning of many important occasions in the senior year. We are sure her excellent judgment will guide future classes to a successful graduation.

Alma Mater

Faithful and true-hearted, Let us cheer our dear old High,
We revere her and defend her, and her colors proudly fly:
We will stand for her united, Of her deeds we gladly tell,
Her colors streaming, Glad faces beaming,
So here's a cheer for her that we all love so well.

CHORUS

Joyous and ever loyal, Let us boost for our Old High,
Let ev'ry heart sing, Let ev'ry voice ring,
There's no time to grieve or sigh.
It's ever onward, our course pursuing, May defeat ne'er our ardor cool,
But united, We will boost for her, our Old High School.

Honors she has taken, On the track and with the ball,
May she always rank the highest, May her colors never fall.
There's no other that can match her, When her team is on the field.
Her boys the fleetest, Her girls the sweetest,
Then here's a cheer for her, for her who ne'er will yield.

A stumbling block or a stepping stone."

Memoirs

We shall never forget our class play rehearsals and then the big event of public performance on the evenings of November 19th and 20th. Our other "big" events all occurred at the end of the year. Our Class Trip was first, on the 10th, 11th, and 12th of May. We had one day of rest, than the Junior-Senior Prom. Our Class Day was on May 21st. This was our last chance to "blow off our steam." The more serious events came next, with Baccalaureate on May 23rd. The final, but most significant event, is Commencement. Now we are out on our own facing the problems of a life-time which we hope will yield success and happiness to everyone.

Class History

In September of 1942 a group of frightened but eager students started pacing the streets to their new adventure. After a few weeks we found it was not exactly a dream. but Miss Loose tried to make our dream come true by showing us the easiest way to learn the three R's.

Second grade found us surveying the grounds of the hill school with Mrs. Emerick as our guide. Our advancements toward the third grade were learning to tell time, attending the assembly programs and being in the operetta. We advanced to third grade where Miss Schell taught us more complicated things, such as the weather maps, keeping health charts, and also learning to snap our fingers. Miss Layser had the unfortunate task of taming us down in 4th grade, since it was leap year and the girls took advantage of the fact. In fifth grade a few of our classmates decided school would be more interesting sitting in the hall, so Miss Uhrich granted them their wishes. This was also the year we had Mrs. Frantz, and Miss Leib. Sixth grade was the half-way point in our adventure. As Mr. Snavely guided us we thought ourselves geniuses and could go our own way.

Seventh grade found us a little baffled, as were our new classmates from the rural schools, in finding all the new rooms of the high school. This was the year of many new adventures for all of us, such as learning to dance, with Mr. Daniels as our instructor. We were also greeted with the two most loved expressions, "In the corner quickly!" by Mr. Mitchell, and Mr. Reed's "Don't forget your decimal point." Mr. Reed and Mr. Mitchell remained with us as our homeroom teachers in eighth grade. With great enthusiasm we were greeted by Miss Immel and her ring and also welcomed Mr. Marquette and his memorizing of many historical events.

In ninth grade we initiated Mr. Klopp, but he also made us write many essays, as "Speech is silver, silence is golden." The fair found us selling soft drinks. Tenth grade Mr. Batdorf and Mr. Bucher chaperoned us as we strutted about with our new class jackets, beanies, and pennants. We also acquired the scientfic knowledge in the biology lab. Quiet a few of us chose the romance language of Latin under the guiding hand of Miss Donough.

Miss Fox and Mr. Lantz supervised us in eleventh grade as we proudly displayed our new class rings. There was quite a fad as girls were seen wearing boys' rings. After Mr. Mitchell was through with us in the corner, he taught us how to be efficient drivers, although some of the boys forgot very quickly. This is the unforgettable year we sponsored the Junior-Senior Prom. The day of the prom found us worrying about a program.

In twelfth grade Miss Kopp and Mr. Fake had to cope with us as we excitedly exchanged class pictures. The peculiar noises in Mrs. Fairlamb's class, the jokes of Mr. Fake, and Mr. Bucher's idea of letting us run the chemistry lab was part of having a good time. We were sales clerks for the Landis and Landis Club and our magazine selling was a minor chore. After being haunted by the thought of preparing the year book we finally wrote the last pages. After studying and working for twelve years, our dream became a reality—our three day trip to New York.

As graduation day approaches we stand at the threshold of a new and different life and we look back upon our twelve years as time well spent. We deeply regret having to leave the halls of dear old M. H. S.

Class Prophecy

With the aid of our super duper futurascope slapped together by our enthusiastic shop loafing students we look into the future of 1974.

As we enter the great metropolis of Myerstown, Pa., we notice the great industrial improvements that have been made within the community.

On the right side of the street we first of all see Irwin Mahaffey's "Super Deluxe Hot Rod Junk Yard" where George Eisenhauer is trading in his twenty-fifth car for the year.

Right next door we find Wilbur Gaylor's insurance company, "You Hit Them—We Help You Run." Dino Marcozzi and Robert Andrews are his chief side-walk solicitors.

A new industry has just opened in Myerstown—Julia Pieffer's sophisticated, exclusive designs from Florida have just arrived and are being sold at "Mademoiselle Julia's Salon."

Mrs. Smith, the former Shirley Schwear, has just arrived home after a cruise in the Mediterranean with her husband—Admiral Smith.

The new movie, "We Love Them All," produced by Ronald Yeakley and directed by Gerald Heberling has just hit town. In the cast we have starring—Linda Stohler as the famous dancer. This movie is followed by a short feature introducing Pauline Shartle and Grace Brandt, the famous Shorthand experts illustrating perfect shorthand outlines.

Next we have the world-wide famous moving and hauling company, "We Wander Anywhere We Go." It is owned by Marian Mummau and operated by Jerry Spangler.

Gloria Scipioni is still making steak sandwiches and getting her meat from Ebling's Meat Market.

Every year at our annual fair, we see Myrna Stecher and her famous "Motorcycle Hell Drivers."

Dolores Phillippy is still getting promotions and is now chief mopper and duster at Walter Miller's.

Myerstown High School has obtained a new principal, Robert Lebo. He is so interested in education that he goes to school every summer for special degrees.

Lucille Betz, Gladys Long, and Dorothy Evans have just opened their new super "HELP YOURSELF AND LIVE" restaurant in the southeast corner of Myerstown.

Donald, Ernest and Norman Brown are experimenting how to grow French Fried potatoes. They put the potatoes through a French Fry Chopper in oder to save time. Their chief buyer is Dickie Wagner's Hot Shoppe restaurant.

Richard Dundore is still trying to find a left-handed monkey-wrench to tighten the loose screws in his car.

Helen Hixenheiser, the new head of Dogcatcher's Association, is trying to get more freedom for dogs.

This was one of the poorest seasons in Mohawk history, as they won only 4 games out of 18. The boys played very hard, but always lost the close games.

Next year's squad loses only 2 players. So we are sure that they will have a much stronger varsity than this year's.

The FHA is an organization enabling girls to prepare for homemaking. Each year an FHA Queen is chosen by the FFA chapter to reign at a dance sponsored by these clubs. The queen was Kathleen Smith for this year.

THE COURT

Queen of Hearts Dance

The reigning couple this year was Walter Whitmoyer and Barbara Spangler. The attendants were Galdys Duffy, Maid of Honor; Virginia Lebo, Lois Mentzer, Darlene Brandt, Shirley Schwear, and Luanne Werner. Assisting the Queen as flower girls were Yvonne Hoffman and Nancy Layser, while the trainsbearers were Jimmy Strobel and Jimmy Hoffman. The Queen and her attendants all were attired in long white gowns, decorated with red hearts. The minuet, presented by twenty senior high school girls, performed for the royal court and the audience. After the coronation, the following program was presented:

TRUMPET TRIO—Dale Achey, Peter Jeffers, Eugene Lessig
who heralded the entrance of the royal court

SEXTET —"Love Walked In"
'Two Hearts in Three Quarter Time"

PIANO SOLO —Joanna Moore — "Romance"

BALLET —Ruth Schaeffer

CLASS PRESIDENTS

Queen of Hearts Dance

The annual Queen of Hearts Dance is sponsored by the Senior Tri-Hi-Y. The court consists of a Maid of Honor and five other attendants. Two pre-school boys and two pre-school girls are selected to serve as trainbearers and flower girls. The royal couple and their court are always elected by the popular vote of the Senior High School. The first of these dances was held in 1944 with Harold Albert and Beatrice Loeb as the King and Queen of Hearts.
